

Albany Short Stays

Parker Eco House Pets Policy

We have a few simple requests when you bring your dog to stay with you to Parker Eco House. Your compliance will ensure that we can continue to offer this special facility to you and our future guests.

-  We allow a maximum of 2 dogs at any one time at Parker Eco House. **Large and/or hair shedding dogs must be kept outside at all times unless a prior arrangement has been made with management. If inside, dogs must not be allowed on the furniture or in the bedrooms.**
-  A \$35 tariff is payable per dog per total length of stay to allow for general cleaning and maintenance. A \$50 deposit may be charged, which is refundable on departure when policy requirements have been met. We reserve the right to charge an additional fee if damage is caused to the house or garden. An inspection may be carried out prior to your departure.
-  Dog owners agree to take full responsibility for any personal injury or damage caused by their dog whilst in the confines of our property and agree to pay for any claims of compensation in relation to the dog's activities.
-  Your dog should not be left alone at the house during your stay if they are likely to get distressed in a strange environment as we are concerned that their barking will upset neighbours. If you want a dog free day with a dog that is likely to bark, you can day board your dog at Rainbow Coast Kennels - Albany (ph: 9841 3664) – bookings & vaccination certificates essential.
-  A dog bed, food and water bowls are provided for your convenience.
-  Parker Eco House is fully fenced, with lawn and garden beds. Dogs can run freely around this area. However, please keep your dog on a leash when you take your dog for a walk outside the property.
-  There are many dog friendly beaches in the region. Middleton Beach has a dog exercise area. Please note that dogs are not permitted in National Parks or on the Bibbulmun Track.
-  A poop scoop bags are provided and we would appreciate you disposing of dog waste in a plastic bag and into the outside blue bin.

Most of all, enjoy your stay with your “best friend”.
